## NOTIFICATION.

*The 17th January 1888.*—The following instructions of the Board of Trade to officers in British Possessions abroad, with the Order in Council, dated the 15th September 1887, referred to therein, are published for general information :—

*Consecutive Office No. 330.*

Departmental, 1081.

Colonial, 18.

BOARD OF TRADE,

*November 1887*

## INSTRUCTIONS TO OFFICERS IN BRITISH POSSESSIONS ABROAD.

*Merchant Shipping (Colonial) Act, 1869.*

THE annexed Order in Council, dated the 15th day of September 1887, revokes all Orders previously issued relating to Colonial Certificates of Competency, and consolidates all the regulations now in force relating to their use, issue, delivery, cancellation, and suspension.

As the Colonial Certificates of Competency referred to in the said Order in Council are to have the same force as the similar Certificates granted by the Board of Trade in the United Kingdom, such a Colonial Certificate must be accepted as occupying in every respect the place of one of the latter, and as entitling its *bond fide* holder to act in the capacity stated in it, or any inferior (but not a superior) capacity in any British ship, all over the world without the possession of a Board of Trade Certificate.

Colonial Certificates will have to be used, produced, and delivered at the times and on the occasions at and on which Imperial Certificates of Competency would have to be used, produced, and delivered.

When it appears from a Certificate (Imperial or Colonial) officially produced to the Officer that its owner possesses other Certificates, their production also should be required, and if they are not produced their owner's explanation in writing should be demanded and forwarded to the Registrar-General of Seamen with the least possible delay.

Officers in British Possessions abroad are empowered by Regulation 9 attached to the Order in Council to demand, and if necessary detain, any such Colonial Certificate when they have reason to believe has been improperly issued, or has been forged, altered, cancelled, suspended, or to which the person using it is not justly entitled.

Whenever this power is exercised, a report of the facts and circumstances must be sent by the Officer, with the least possible delay, to either the Board of Trade or the Government of the Possession in which the Certificate was originally granted, or may purport to have been granted, accordingly as communication may be easier and quicker.

As the withdrawal of a Certificate would in some cases entail inconvenience, not only upon its possessor, but also upon the owners of the ship and cargo, it is scarcely necessary to caution Officers that the exercise of this power should only be resorted to when the evidence is perfectly clear; and if the ship is bound to the United Kingdom, and the report above mentioned has been sent to the Possession in which the Certificate was originally granted, the Board of Trade should nevertheless be informed of the facts.

Every case of death of a Colonial Certificate-holder, which may come to the Officer's knowledge, should be reported without delay to the Government of the Possession in which the Certificate was granted.

The attention of Officers and Functionaries in British Possessions abroad, engaged in the conduct of Official Inquiries in wreck and discipline cases, is directed to the fact that the Certificates to which the Order in Council applies will be liable to cancellation and suspension in precisely the same way as Certificates granted by the Board of Trade under the Merchant Shipping Acts, and by the same Boards, Courts, and Tribunals. The provisions of "The Merchant Shipping Act, 1854," and "The Merchant Shipping Act Amendment Act, 1862," as to Courts of Inquiry, will therefore be applicable to the Colonial Certificates in question, with the exception of the provisions specified in the Order in Council.

## AT THE COURT AT BALMORAL,

The 15th day of September 1887.

PRESENT:

## THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS by the "Merchant Shipping (Colonial) Act, 1869," it is (amongst other things) enacted, that where the Legislature of any British Possession provides for the examination of, and grant of Certificates of Competency to, persons intending to act as Masters, Mates, or Engineers on board British ships, and the Board of Trade reports to Her Majesty that they are satisfied that the examinations are so conducted as to be equally efficient as the examinations for the same purpose in the United Kingdom under the Acts relating to Merchant Shipping, and that the Certificates are granted on such principles as to show the like qualification and competency as those granted under the said Acts, and are liable to be forfeited for the like reasons and in the like manner, it shall be lawful for Her Majesty, by Order in Council—

1. To declare that the said Certificates shall be of the same force as if they had been granted under the said Acts;
2. To declare that all or any of the provisions of the said Acts which relate to Certificates of Competency granted under those Acts shall apply to the Certificates referred to in the said Order;
3. To impose such conditions and to make such regulations with respect to the said Certificates, and to the use, issue, delivery, cancellation, and suspension thereof, as to Her Majesty may seem fit, and to impose penalties not exceeding fifty pounds for the breach of such conditions and regulations.

And that upon the publication in the London Gazette of any such Order in Council as last aforesaid, the provisions therein contained shall, from a date to be mentioned for the purpose in such Order, take effect as if they had been contained in the Act, and that it shall be lawful for Her Majesty in Council to revoke any Order made as aforesaid:

Attention is further directed to the provision now for the first time inserted in Regulation 6 attached to the Order in Council, under which Colonial Authorities are empowered to issue a lower grade of Certificate in lieu of a Certificate cancelled or suspended by an official Court of Inquiry, if the Court of Inquiry make a recommendation to that effect.

It will be noticed that Regulation 8 attached to the Order in Council provides that the cancellation or suspension of a Certificate shall involve cancellation or suspension of all the other Certificates (if any) possessed by its owner. With the view of carrying this Regulation strictly into effect, it will be desirable that the Court should endeavour to ascertain and should specify in their decision the particulars of all the Certificates possessed by any person whose conduct is the subject of an investigation by them.

In cases of cancellation or suspension of such Colonial Certificates, copies of the report of the Court and of the evidence, together with the respective Certificates, should be sent to the Governments of the British Possessions by whom the several Certificates possessed by the offender were originally granted. A full report upon the case and the evidence should, at the same time, be sent to the Board of Trade, as required by the Act, and the sentence, giving the number of each Certificate dealt with, and the Possession in which it was granted, should be mentioned in it.

The holders of Colonial Certificates which are cancelled or suspended should be referred to the Government of the Possession in which the Certificate was originally granted, instead of to this Board, if they desire to appeal from the sentence or to apply for a mitigation of it.

These instructions must be understood as having reference only to the Certificates referred to in the said Order in Council.

*Assistant Secretary.*

should be of the same force as if they had been granted under the said Acts, and subject to the conditions and regulations imposed and made by the Board of Trade, and set out in the Schedules to the said recited Orders in Council respectively:

And whereas by Orders in Council of the 29th day of June, 1882, and the 10th day of November, 1886, Her Majesty was pleased to rescind the said Conditions and Regulations (except in so far as the same related to Certificates of Competency granted to Masters, Mates, or Engineers by the Governor of Hong-Kong), and to substitute therefor the Conditions and Regulations set out in the Schedule to the said last recited Order in Council, and numbered 1 to 10 respectively, and to declare that the same should apply to all Colonial Certificates granted under any of the said recited Orders:

*Secretary to the Govt. of Bengal.*

**RESOLUTION**—By the Government of India, Department of Finance and Commerce, No. 96, dated Calcutta, the 7th January 1888

In accordance with the provisions of the Indian Securities Act XIII of 1886, the Governor-General in Council is pleased to make the following rules under section 14 of the Act:—

1. Interest cages, showing the several half-years at which interest will accrue, shall be imprinted on the reverse of each new note issued, and payment shall be recorded by the stamp of the Disbursing Office, or by a manuscript entry, over the space apportioned to the half-year concerned. If payment be made at a Presidency town, the recording entry shall show the Presidency and the date and number of the issuing warrant, which shall be in the form of a negotiable instrument payable to the holder's order. But if payment be made at a District Treasury, the recording entry shall show the name of the Treasury, the number borne by the payment voucher, and the date of payment; this entry shall be authenticated by the initials of the Treasury Officer, and the holder's receipt shall be taken on the face of the payment voucher. If however, the note be of the old form, and bear no interest cage, the holder's endorsement for interest will be required on the note itself, and payments will be authenticated by the Disbursing Officer under the endorsement as heretofore.

2 Under the preceding rule, interest cages shall be imprinted, and (in the case of notes in the old form) holder's endorsements for interest shall be written only on the back of the note itself.

3. If the note be of the old form and bear no interest cage, the holder's endorsement for interest should agree letter for letter with the name in the body of the note, or in the transferring endorsement, as the case may be; the usual signature may be added below.

4 An endorsement or receipt by a native female must be attested by the signatures of at least two respectable witnesses, who must attend before the Officer in charge of the Treasury where interest is payable, and certify to the genuineness of the endorsement or receipt.

5. Notice of any private trust in an endorsement or receipt for interest is inadmissible.

6. A note blank endorsed by the holder is not receivable at any Government Treasury or at the Public Debt Offices in the Presidency towns. The holder of any such security will therefore be required to specially endorse the same before submitting it for payment of interest.

7. The holder of a note may be required to receipt the same for renewal in all or any of the following cases, that is to say—

- (1) If the note has been encased for payment of interest at a Mofussil Treasury, and the holder thereof is desirous of altering the place of payment.
- (2) If only sufficient room remains on the back of the note for one further endorsement, or when any word or words is or are written upon the note across any existing endorsement or endorsements, all cross endorsements being strictly prohibited.
- (3) If the note is torn or in any way damaged or crowded with writing, or unfit, in the opinion of the officer before whom it is produced for payment of interest, for receiving endorsement.
- (4) If, in the opinion of such last-mentioned officer, the title of the person presenting the note for payment of interest is irregular or not fully proved.
- (5) If the note in question, being a counterpart note issued under the provisions of Rule 8, has ceased to be the property of a minor, or to belong to an estate in which administration is limited to interest.

In all or any of the preceding cases payment of any further interest on such note may be refused until the note is receipted for renewal and actually renewed.

8. In the case of any note which is the property of a minor, or belongs to an estate in which administration is limited to interest, the Public Debt Office at Calcutta may, upon such note being deposited with them, issue to the holder of such note a counterpart thereof, having the words "counterpart not negotiable" stamped across the face thereof, and further payments of interest may be recorded upon such counterpart. Whenever such note shall cease to be the property of a minor, or shall cease to belong to an estate in which administration is limited to interest, the further payment of interest in respect of the note may be refused, until the first or any subsequent counterpart (as the case may be) issued in respect of it has been receipted and renewed in the manner provided in the last preceding rule. Upon such counterpart being receipted and renewed as aforesaid, the same, together with the original note and any preceding counterpart issued in respect thereof, will be cancelled.

9. No payment of interest, and no record or acknowledgment of the payment of interest, and no issue of a counterpart note under the preceding rules, is to be deemed or taken to be an acknowledgment of the title of the holder of any note.

10. The following fees are payable in respect of applications under sections 11 and 12 of the Act:—

For each renewed or duplicate security, 4 annas per cent if the new note does not exceed Rs. 400, and Re. 1 if the new note exceeds that sum

11. A note tendered for renewal must be receipted on the reverse as follows —

“Received in lieu hereof a renewed note in the name of \_\_\_\_\_, with interest payable at \_\_\_\_\_

*Signature of holder.”*

12. If a person tendering a note for renewal applies for more than one note in lieu of the note tendered, the latter must be receipted on the reverse as follows, or as near thereto as circumstances will admit:—

“Received in lieu of the within two (or more) notes for Rs. \_\_\_\_\_ respectively in the name of \_\_\_\_\_, with interest payable at \_\_\_\_\_

*Signature of holder.”*

13. If a person tendering more than one note for renewal applies for one consolidated note in lieu of the notes tendered, the latter must be receipted as follows, or as near thereto as circumstances will admit:—

“Received in lieu of the within a new note in the name of \_\_\_\_\_ for Rs. \_\_\_\_\_ by consolidation with Promissory Note or Notes Nos. \_\_\_\_\_ (mentioning the numbers and amounts of the other notes desired to be consolidated with it) with interest payable at \_\_\_\_\_

*Signature of holder.”*

14. The form of receipt mentioned in the foregoing rules must be very clearly and correctly written, and there must be no ambiguity as to the name of the payee of the new note. The holder's signature should agree letter for letter with the name in the body of the note, or in the transferring endorsement, as the case may be, the usual signature may be added below.

15. The holder of any note requiring renewal may procure a renewed note in lieu of his original security in any of the following ways, that is to say, he may present it duly receipted, either in person or through a representative, at—(1) Public Debt Office, Bank of Bengal, Calcutta; or (2) at a Government Treasury for transmission to that office, or (3) at the Banks of Madras and Bombay, who, as Agents of the said Bank of Bengal, may either renew such notes on their own responsibility, or may forward them to the said Public Debt Office, Bank of Bengal, for renewal. In the case of notes presented direct to the said Public Debt Office, Bank of Bengal, or transmitted to it for renewal, either through a Government Treasury or the Bank of Madras or of Bombay, the prescribed officer referred to in section 11 of the said Act shall be the Secretary, Bank of Bengal, for the time being, and in the case of notes presented for renewal at the Bank of Madras or of Bombay, and renewed by those Banks on their own responsibility, such officer shall be the Secretary of the Bank of Madras or of the Bank of Bombay, for the time being, as the case may be.

16. The officer referred to in section 12, sub-section (1) of the Act, shall be the Comptroller-General for the time being.

17. The loss or destruction of a Promissory Note shall be notified, in the first instance, by letter addressed to the Bank of Bengal, Public Debt Office, Calcutta, such letter shall contain the following particulars:—

(1) Particulars of the note according to the following form:—

19. At the expiration of six months from the date of the insertion of the last advertisement, the Comptroller-General shall, if satisfied of the loss or destruction of a portion of a note, and of the justice of the claim of the applicant, and if a sufficient portion for the identification of the note so lost or destroyed shall have been produced, direct the Public Debt Office, upon the execution of such bond of indemnity as is hereinafter mentioned, to issue to the applicant a duplicate note in lieu of that so lost or destroyed as aforesaid. If, however, no portion or no sufficient portion of the note so lost or destroyed shall have been produced as aforesaid, then, at the expiration of two years from the date of the insertion of such last advertisement, the Comptroller-General shall, if satisfied as aforesaid, pass an order directing the Public Debt Office, upon the execution of such bond of indemnity as is hereinafter mentioned, to pay the applicant interest in respect of the note so lost or destroyed pending the issue of a duplicate note, and also directing the said Public Debt Office, at the expiration of six years from the date of the publication of the list in which the lost or destroyed security is first mentioned, if no reason to the contrary appear, to issue to the applicant (on his executing and procuring the execution by two sureties of such indemnity bond as is hereinafter mentioned, should the same be deemed necessary by the Comptroller-General), a duplicate note in lieu of that so lost or destroyed as aforesaid.

20. The Comptroller-General may, within six years of the date of an order passed by him under Rule 19, if he finds sufficient reason, alter or cancel such order, and may also require that the interval before the issue of a duplicate note be extended to twelve years, or such shorter period not being less than six years, as he may think fit.

In simple cases such bonds may be issued by the Comptroller-General at Calcutta in a printed form prescribed by Government. No fee will be chargeable if a bond does not exceed in amount Rs. 500; but on bonds for higher amounts a fee of Rs. 2 for every Rs. 1,000 or part of Rs. 1,000 will be charged, provided that no fee for any one bond so issued shall exceed in amount Rs. 30. If however, the Comptroller-General consider that the circumstances of the case demand that a bond shall be specially prepared by the Government Solicitor, a fee of Rs. 32 shall be payable to that officer.

22. The list of securities lost or destroyed, referred to in section 12 (3) of the said Act in respect of which an order is made for payment of interest pending the issue of a duplicate security, or for the issue of such duplicate security, shall be advertised half-yearly in the *Gazette of India*, in the months of January and July, or as soon afterwards as may be convenient. All securities in respect of which an order has been passed as aforesaid shall be included in the first list published next after the passing of such order, and shall continue to be advertised every half-year until the expiration of six years from the date of first publication, or from the date of the last payment of interest on the original securities, whichever is the later date. Such list shall contain the following particulars, *viz.*, the name of the loan and number of the lost note, its value, in whose name it was issued, from what date it bears interest, the name of the claimant for a duplicate, the number and date of the order passed by the Comptroller-General for payment of interest or issue of a duplicate, and the date of publication of the list in which such security was first mentioned.

## HIGH COURT NOTICE.

It is ordered that the following rules be read and passed as the rules and orders of the High Court of Judicature at Fort William in Bengal, to take effect from the 1st day of March 1888.

1. A list of references of every description which are ripe for hearing and are pending before the Court itself, or before any of the officers of the Court, or any other Commissioner appointed to take accounts or make inquiries, shall be published at such times and in such manner as the Judge ordinarily taking motions on the Original Side of the Court may from time to time determine.
2. The printed cause list for each day shall contain a list of the references liable to be heard on that day by the officers before whom such references are pending.
3. Such list of references shall be divided into two parts—the first of such parts to consist of references of an urgent nature, or which can be quickly concluded, and to be styled “List of urgent references:” the second part to consist of all other references, and to be styled “List of ordinary references.”
4. Urgent references shall include the following:—  
 Accounts in mortgage suits.  
 Sales by the Registrar.  
 The settlement of proclamations of conditions of sale or of conveyances.  
 Inquiries under section 267 of the Civil Procedure Code, or under section 90 of the Probate and Administration Act.  
 Inquiries as to what would be proper to be allowed for maintenance or marriage expenses.  
 Inquiries as to whether proposed terms of settlement would be for the benefit of a minor.  
 References as to the appointment of guardian and such other inquiries and references as may be determined by the Court or a Judge.
5. Any Judge sitting on the Original Side may order any particular reference or inquiry to be taken as an urgent reference. Such order need not be made in Court, but may be made upon a representation made by the Registrar or other officer or Commissioner.
6. No reference shall be placed in the list of references for the day unless it be ripe for hearing.
7. The Registrar or other officer shall, at the commencement of each daily sitting, hear applications with regard to pending references, and shall not hear any reference until such applications have been exhausted, but no such application shall be made or heard on any day after the hearing of references have been commenced.
8. The officer or Commissioner shall, on each day in the first place, hear in order the urgent references on his list for the day, and shall then proceed to hear in order the ordinary references on his list for the day.
9. Each reference shall, unless otherwise ordered by a Judge, be taken in its turn, and it shall be continued *de die en diem* until it be concluded.
- No references on the list of causes for the day shall (without leave of the Court or a Judge) be postponed or adjourned except under circumstances which would justify the postponement or adjournment of a cause. The consent of parties, or the convenience of Counsel or attorney, shall not of themselves be considered sufficient grounds for the postponement or adjournment of a reference or inquiry.
10. References not on the list of causes for the day can, at the discretion of the person to whom they have been referred, be postponed or adjourned, but subject to the control or orders of the Judge taking motions on the Original Side.
11. Any Judge sitting on the Original Side may, by an order in Court or in Chambers, postpone or adjourn any reference pending before himself or before any officer or Commissioner.

12. When, in the opinion of the Judge taking motions on the Original Side, it is necessary that some or all of the references pending before any officer of the Court or Commissioner should be heard by the Court itself, or by some other officer or Commissioner, such Judge may re-call such references into Court, and any time make such order as may be necessary for the purpose aforesaid, or if the parties should consent to any such change, he may make such order without re-calling the reference into Court.

13. These rules are to be read with, and to form part of, the general rules of the Original Side.

14. These rules shall come into operation on and from the 1st day of March 1888.

In Home Department Resolution, dated the 12th February 1886, cited in the preamble, on the subject of the scheme for the establishment of six Government scholarships tenable in England by natives of India, it was provided that each scholar should be required to bind himself by a written engagement to submit to such regulations as may from time to time be framed by Her Majesty's Secretary of State for the guidance of the scholars during their stay in England.

With reference to this provision, the Secretary of State was asked to lay down such regulations as may be deemed necessary, and the following rules have been prescribed by His Lordship:—

#### *Rules for Indian Government Scholars in England.*

1. Every scholar shall, on reaching England, at once present himself at the India Office and report his arrival in writing.

2. Every scholar shall, without any unnecessary delay, inform the Secretary of State to which University he intends to proceed, and shall at once take steps to enter himself at the College he has selected, or (with the special permission of the Secretary of State), as a non-collegiate student.

3. Every scholar shall, within four weeks of reaching England, submit for the approval of the Secretary of State a statement showing the general course of study he proposes to follow; and the course approved shall not be changed without the sanction of the Secretary of State.

4. Every scholar shall, at the end of each University term, submit to the Secretary of State a certificate from the proper College or University authority, showing that his residence, conduct, and progress in study have been satisfactory during the term.

5. Every scholar shall at all times obey such instructions as he may receive from the Secretary of State.

6. Subject to a due compliance with the above conditions, the allowance, at the rate of £200 a year for three years, will be paid monthly in advance by the India Office, commencing from the date of the scholar's reporting his arrival in England.

7. Every scholar will forfeit his scholarship who, not being disabled by illness or prevented by any other cause which the Secretary of State may consider sufficient, fails to complete a residence of three years in England, or who is guilty of misconduct or disregard of the orders of the Secretary of State. If a scholarship be forfeited, the scholar will lose his claim to a free return passage to India, and will further become liable to refund the cost of his free passage to England.

Sanguine subdivision very little wheat is grown and it is imported from the west by rail and difficult journey by road hence high prices are computed with Arracah. The Subd. division has grain mart and prices are kept down by free competition. Rise in price due to temporary local scarcity and unusual demand. Fall in price attributable to new crop coming in.

The following notification is published for general information.

COLMAN MACAULAY,

*Secretary to the Govt. of Bengal.*

No. 771, dated Calcutta, the 11th February 1888.

NOTIFICATION—By the Govt. of India, Dept. of Finance and Commerce.

The following rules made by the Governor-General in Council in exercise of the power conferred by the Indian Salt Act, 1882, are published under section 29 of the said Act:—

*Preliminary.*

1. These rules are applicable to the districts of the Orissa Division only.

*Manufacture, Storage, and Sale of Salt under License.*

2. No person who is not duly licensed in the manner hereinafter provided shall manufacture salt.

3. Any person wishing to manufacture salt shall apply for a license to the Assistant Commissioner of Salt Revenue in charge of the Division in which it is desired to carry on the manufacture who may grant or withhold it as he shall see fit.

4. Each such license shall contain the name of the person to whom it is given; shall specify the limits within which such manufacture shall be carried on, and the places where the salt so manufactured shall be stored; shall expire on such date as may be stated therein; and shall be subject to the following conditions:—

- i.—The provisions of the Act and of all Rules duly made under it shall be strictly observed by the licensee, his agents, and servants.
- ii.—None but good salt, capable in the judgment of the Assistant Commissioner of bearing the duty fixed from time to time by the Governor-General in Council under section 7 of the Act, shall be manufactured. The Salt Revenue Officer in charge of any Salt Store may refuse to permit the removal of any salt stored therein which he may consider not to be so capable, pending the decision of the Assistant Commissioner. All salt adjudged by the Assistant Commissioner to be inferior shall be destroyed in his presence, or in the presence of such officer as he may depute for the purpose, in such manner as he may direct.
- iii.—On or before the first day of each month during which or any part of which—
  - (a) the manufacture of salt is in progress, or any salt remains unstored, in the licensee's Salt Works; or
  - (b) any salt manufactured by the licensee remains in store in any Salt Store, the licensee shall, if required, pay into such Government treasury or sub-treasury as the Assistant Commissioner shall appoint, such sum as the Assistant Commissioner shall prescribe on account of the cost of the guarding establishments maintained by Government at such Salt Works or Salt Store; provided that, when the Salt Works of two or more licensees are so situated that they can be effectively supervised by a single establishment, or that when two or more licensees store their salt in a single Salt Store, one

establishment only may be employed for the guarding of such Salt Work or Salt Store, as the case may be, and that the cost of it shall be recovered from the several licensees in such proportions as the Assistant Commissioner may direct.

Provided also that if, after the expiry of the license, it shall be found that the cost (the prescribed pensionary and leave allowance contributions included) of the Government guarding establishments actually employed at the Salt Works and Salt Store during the period of the currency of the license, or the licensee's proportion of such cost, as the case may be, has not exceeded five per centum of the revenue derived by Government during such period from the levy of duty on salt manufactured in the licensee's Salt Works and issued from the Salt Store for consumption on payment of duty, the whole amount of the monthly sums paid as aforesaid shall be refunded to the licensee; and that, if such cost or proportion thereof has exceeded five per centum of such revenue, in that case five per centum of such revenue shall be returned.

iv.—No alteration shall be made in the pans, wells, or other plant of the Salt Work as existing at the date of the license without written sanction from the Salt Revenue Officer in charge of the Circle.

v.—Any wilful breach of the conditions of his license by the licensee, or by his servants with his connivance and privity, or by his heirs, administrators or assigns, shall entail forfeiture or suspension of the license at the discretion of the Assistant Commissioner in addition to any penalty which may by law be imposed for such breach.

vi.—All salt remaining in any Salt Work, the license to manufacture salt at which has been cancelled or suspended, shall be stored in the appointed place within fifteen days of the date of such cancellation or suspension; and all salt manufactured in any such Salt Work, which shall be in store at such date or shall subsequently be brought into store as hereinbefore provided, shall be removed on payment of duty within six months of such date. The Assistant Commissioner may cause any salt which may not be so stored after such period of fifteen days or which may remain in store after the expiry of such period of six months, to be stored, or to be put up to auction, and sold if the price offered be equal to the ex-cise duty leviable thereon, as the case may be. If the Assistant Commissioner shall cause such salt to be stored, the cost of such storage, including the expenses of transport, if any, shall be recovered from the licensee. If such salt be so sold, and if the price bid be less than the ex-cise duty leviable thereon, the Assistant Commissioner may cause the salt to be destroyed in such manner as he shall think fit.

Such licenses shall also be subject to such further conditions as the Assistant Commissioner may from time to time prescribe for the protection of the Government revenue.

5. The licensee shall commence and close manufacture within such dates as may be prescribed by the Assistant Commissioner, and shall at the commencement of each manufacturing season intimate in writing to the officer in charge of the Circle the number and extent of the pans which he intends to work in that season.

6. The licensee shall fence in the place of manufacture and the drying-grounds, and shall keep the fences in a proper state of repair to the satisfaction of the Assistant Commissioner, and shall refrain from injuring the same by entering or leaving the works by other than the authorised pathways. Permission will not be granted to commence manufacture in any year unless and until this condition is complied with.

7. All salt scraped shall be removed to the drying-ground before sunset of the same day. The officer in charge of the Works may order all salt not so removed to be destroyed in such manner as he shall deem fit.

8. Salt removed to the drying-ground shall be kept there only in such places as may be directed by the officer in charge of the Works.

9. Unless in the case of floods, or from other unavoidable necessity, salt shall be moved from the drying-grounds only to the Salt Store, and to the Salt Store only for the purpose of storage after permission to store has been obtained, at such times and in such quantities as may be ordered by the officer in charge of the Works.

10. In all cases in which he may consider it necessary for the protection of the revenue, the Assistant Commissioner may direct that no salt shall be moved from the drying-grounds to the Salt Store except in sealed bags, into each of which an equal weight or quantity of salt shall be placed, and under a written pass from the Salt Revenue Officer in charge of the Works. Such pass shall specify the name of the manufacturer, the number of his license, the route by which the salt is to be transported, the number of bags, and the date on which the pass is granted. A copy of every such pass shall be forwarded by the officer granting it to the Assistant Commissioner. All salt removed under such pass shall be weighed or estimated by measurement previous to such removal by the Salt Revenue establishments. The bags shall be sewn on the inside and sealed in such manner as the Assistant Commissioner may from time to time prescribe, and shall be conveyed direct and without unnecessary delay from the Works to the Salt Store by the route prescribed in the pass, which shall be delivered for

record to the officer in charge of the Salt Store, without removal of the seals or undidging the fastenings or otherwise tampering with the bags or the abstraction of their contents. All expenses connected with the weighing and bagging of the salt and with the sealing of the bags shall be paid by the licensee.

11. If the whole or any portion of a consignment of salt despatched from the Works to the Salt Store be not delivered at the Salt Store within the time mentioned in the pass, or if any bag or bags comprised in any such consignment be found, on arrival at the Salt Store and on inspection by the officer in charge thereof, to have been tampered with by removal of the seal or seals, or in any other manner, the licensee shall, on demand in writing, pay to the Assistant Commissioner enhanced duty on the said consignment, or on the portion thereof which has not been so delivered, or on the salt contained, at the time of their despatch from the Works, in the bag or bags so tampered with, as the case may be, at such rate as the Assistant Commissioner shall direct, not being more than double the rate for the time being imposed by rule under section 7(a) of the Act on salt manufactured in the Orissa Division; and shall also, if so required, forthwith remove from the Salt Store the said consignment or portion thereof, if subsequently received at the Salt Store, or the bag or bags so tampered with, as the case may be. Any such consignment or portion thereof, if subsequently received at the Salt Store, or bag or bags appearing to have been tampered with, may be detained by the officer in charge of the Salt Store pending the orders of the Assistant Commissioner. If the owner of any such consignment, &c., as aforesaid shall refuse to pay enhanced duty as aforesaid, or if he shall fail or neglect so to pay within seven days after the receipt of demand, the Assistant Commissioner may sell the whole or any part of such consignment, if subsequently received at the Salt Store, in such manner and at such time and place as he may think fit, and may credit the proceeds to Government. Before a demand for enhanced duty is made on a licensee under this rule, the Assistant Commissioner must be satisfied that an offence under section 9 of the Act has been committed, and, where the salt exceeds five seers in weight, he must make the report required by section 13.

Provided always that no such demand for the payment of enhanced duty as aforesaid shall be made if the owner of any such consignment as aforesaid shall satisfy the Assistant Commissioner or his official superior that the failure to deliver the said consignment or any part thereof at the Salt Store within the time specified in the pass, or that the removal of the seal or seals from a bag or bags, or other appearance of tampering with a bag or bags, was due to stress of weather or to accidents occurring to the boats or vehicles used in the transport of such consignment, or to other unavoidable cause beyond his power of control.

12. If the officer in charge of the Salt Store be satisfied that salt delivered to him has been transported according to rule and to the conditions of the pass, if the salt has been removed from the Salt Works under pass, he shall permit the licensee to store the salt.

13. The salt shall be stored in such places and in such manner as the Assistant Commissioner may from time to time authorize and direct by the servants and at the expense of the licensee.

14. All salt shall be stored within forty-five days of the date on which it was made, and within thirty days of the date fixed for the closing of manufacture.

15. The Assistant Commissioner may extend the above period of forty-five days and thirty days respectively in case storage should be unavoidably delayed by rain or by any other sufficient cause.

16. If a licensee shall fail to store his salt within the period above prescribed, the officer in charge of the Circle shall take such steps as he may consider necessary for its storage, and the cost of such storage shall be recovered from the licensee.

17. No salt so stored shall be permitted to be removed from the Store on sale and payment of duty until the cost of such storage has been paid by, or has been recovered from, such licensee.

18. The officer in charge of the Circle may refuse to allow the storage of salt which he considers to be insufficiently dried for storage.

19. All salt shall be weighed into store under the supervision and directions of a Sub-Revenue Officer of such rank as the Assistant Commissioner shall appoint. The buildings in which storage is made shall be previously approved by the Assistant Commissioner, and shall be divided into compartments in such manner as he shall direct. In each such compartment, so long as so much salt shall be available for storage, an equal weight of salt, not being less than five hundred maunds, shall be stored. No additional storage will be allowed in any compartment from the salt contained in which any removals may have been made, except after the re-weighment of the remainder of the salt and before the resumption of removals from such remainder.

20. The licensee shall keep in a proper state of repair, to the satisfaction of the Assistant Commissioner, all buildings used for the storage of his salt. If he shall fail to begin any repairs which the Assistant Commissioner may order him to make within ten days of the receipt of a written notice from the Assistant Commissioner directing him to make such repairs, or shall fail to complete any such repairs within the time specified in such notice, the Assistant Commissioner may proceed to have such repairs executed, and may recover the cost thereof from the licensee.

21. The licensee shall provide and maintain suitable and secure fastenings to the buildings in which the salt is stored, to the satisfaction of the Assistant Commissioner, for the attachment of locks to be provided by Government. The keys of all such locks will be retained by the officer in charge of the Salt Store; but the licensee will be at liberty to affix his own locks also, provided that he shall always, on the requisition of the Assistant Commissioner or of the officer in charge of the Circle, or of the Salt Store, immediately remove his locks.

22. The Assistant Commissioner may, at his discretion, call on the licensee to store any sifted or refuse salt manufactured by him which may be lying unstored within the limits of the Salt Works, or, at the option of the licensee, to destroy the same. If the licensee shall fail either to store or to destroy such salt within ten days of the receipt of the order so to do, the Assistant Commissioner may cause such salt to be destroyed, and may recover the cost of such destruction from the licensee; and the Assistant Commissioner shall have authority to determine finally, and without appeal, whether any salt is sifted or refuse for the purposes of this rule.

23. Unless in the case of floods, or from other unavoidable necessity, no salt shall be removed from any Salt Store except for consumption on payment of duty under a permit.

24. Persons wishing to remove salt from a Salt Store for consumption on payment of duty shall first pay the charges due thereon into such Government treasury or sub-treasury as may from time to time be appointed and shall receive in return a receipt.

Fractions of quarter maunds shall be paid for as quarter maunds.

25. The receipt shall be presented with a writ on requisition to the Salt Revenue Officer in charge of the Salt Store, who will grant in lieu a permit for the removal of the salt, and will depute a subordinate officer to supervise its weightment and issue to the holder of the permit. If, however, the officer in charge of the Salt Store suspect the genuineness of the receipt or other fraud, he may refuse to issue the permit except under security equivalent to the full value of the salt covered by such receipt, together with the duty leviable thereon, and shall refer the case for the orders of his superior.

26. No permit will be granted for the removal of less than twenty-four maunds of salt at one time, except to complete the clearance of a compartment, or as a sample, for which latter purpose one maund of salt may be removed from each compartment on not more than three occasions.

27. Salt will only be issued on such days and at such times as the Assistant Commissioner may appoint for each Salt Store. All salt shall be removed on the day on which it is weighed out, and shall, for this purpose, be placed in bags, to be provided by the holder of the permit to the satisfaction of the officer in charge of the Salt Store, into each of which the same weight of salt shall be placed. When the weightment and bagging of the salt is completed, the bags will be retained, until checked weighed by an Inspector or Assistant Inspector, who will countersign the permit, and allow the removal of the salt.

28. If on check-weightment of any consignment of salt by an Inspector or Assistant Inspector as aforesaid it is found to exceed the quantity entered in the permit, the following practice shall be observed by the Inspector or Assistant Inspector:—

(a) If the excess is not more than one per cent, he shall allow the consignment to pass unquestioned.

(b) If the excess exceeds one per cent, he shall—

(1) if the officer in charge of the Circle, and if satisfied on enquiry that an offence punishable under section 9 of the Act has been committed, either detain the whole consignment and make complaint to a Magistrate and institute proceedings with a view to the confiscation of such salt, or release the consignment on payment of such penalty under section 13 of the Act as he may think proper, provided that no salt shall be released on payment of a penalty if the excess shall exceed 3 per cent., except under the orders of the Assistant Commissioner, or

(2) if subordinate to the officer in charge of the Circle, detain the whole consignment and report the matter without delay for the orders of the officer in charge of the Circle, who shall dispose of it in the manner last hereinbefore provided.

29. All salt shall be weighed, both when stored and also when removed on payment of duty, with the scales provided by Government for the purpose, in such manner as the Assistant Commissioner may from time to time direct.

30. No storage or removals of salt will be allowed on Sundays or authorized holidays, or on days on which, in the opinion of the officer in charge of the Store, the state of the weather is such as to render storage or removals inadvisable.

31. Licensees shall furnish the labour for conveying the machines and weights to be used in the storage and removal of salt from the place where they may be to the place where they may be required to be used for storage and removals. The licensee for the storage or removal of whose salt any machines or weights are last used on any day shall supply the labour for replacing the same in the place where they are usually kept, and for cleaning the same to the satisfaction of the officer in charge.

32. Licensees shall be responsible for all damage, other than fair wear and tear, done to machines or weights in the storage or removal of their salt.

33. Nothing in these rules shall apply to the manufacture of salt by or on behalf of Government.

34. The Assistant Commissioner may prescribe all forms necessary for the administration of the Act.

#### *Protected Area, and the Possession, Transport, and Sale of Salt therein*

35. The area defined for the purpose of section 6, clause (e), round the Salt Works of Orissa shall extend to a distance of two miles from the boundary of each *panga* Salt Work on all sides. Such areas are termed "protected areas."

26. No person shall possess or transport more than one seer of salt within a protected area, unless it be—

- (i) protected by a rawánah;
- (ii) within the boundaries of a salt work;
- (iii) in transit from a salt work to a salt store;
- (iv) in the possession of an officer of Government;
- (v) in the possession of a person licensed under Rule 44.

37. Rawánahs for the transport of salt within protected areas will be issued by the officer in charge of the Salt Store from which the salt is removed, or by such officers as the Assistant Commissioner may appoint for the purpose.

38. Rawánahs shall be current and valid for such periods as the officer issuing them may fix as reasonable and sufficient to allow of the salt reaching its destination or passing beyond the limits of the protected area or areas concerned, as the case may be. The date on which the currency of a rawánah terminates shall be specified therein.

39. An officer issuing a rawánah may specify therein the route by which the salt shall be removed, and such rawánah shall not be valid except along the route so specified. He may also specify the hour at which the currency of a rawánah shall terminate.

40. Every rawánah shall be returned to the Inspector of the Circle in which it was issued, either by hand or by means of a registered letter within seven days of the termination of the period for which it was current.

41. Rawánahs shall always accompany the salt to which they refer, and shall be produced on demand for the inspection of any officer of the Salt or Police Department. Such officer shall be at liberty to endorse such remarks thereon as he may think fit.

42. Any officer of the Salt or Police Department may detain any consignment of salt covered by a rawánah within a protected area for the purpose of weighing the same. Such weighment shall be made by such officer as the Inspector of the Circle may generally or specially appoint for the purpose.

43. If on weighment of salt so detained it is found to exceed the quantity entered in the rawánah, the weighing officer shall proceed as prescribed in Rule 28.

44. The Assistant Commissioner may issue licenses for the possession and retail sale of salt within any protected area, subject to such conditions as he may from time to time prescribe. Such license shall only cover the possession and sale of salt within the licensee's shop, the position of which shall be clearly defined therein.

45. Every person retailing salt under such a license shall keep a register of sales written up daily, and such other accounts as the Assistant Commissioner may prescribe, and shall permit any officer of the Salt Department, of not lower grade than a Sub-Inspector, to examine such accounts on demand, and to weigh the salt in store on his premises.

46. On the arrival of a consignment of salt at the shop of any licensed vendor, he shall within twenty-four hours notify its receipt in writing to the Inspector of the Circle, specifying in such notice the number and date of the rawánah, the quantity and description of the salt covered thereby, and the store from which it was obtained.

47. Every person licensed to sell salt within a protected area under Rule 44 shall, on the first day of each month, submit to the Inspector of the Circle within which his shop is situated a statement signed by him specifying the quantity of salt received and sold by him in the previous month. Such statement shall be in such form and shall contain such particulars as the Assistant Commissioner may from time to time prescribe.

48. Clause V of Rule 4 shall apply to licenses for the retail sale of salt within protected areas.

#### *Disposal of persons arrested.*

49. Salt Revenue Officers who may make arrests shall, unless empowered under the ante-penultimate paragraph of section 20, at once send the persons arrested, with any independent witnesses whose attendance they may be able to secure, to the nearest police station, at the same time making a full report of the circumstances under which the arrest was made through the Inspector of the Circle, to the Assistant Commissioner.

#### *Seizure, disposal, or destruction of things liable to be seized or destroyed under the Act.*

50. All property seized by Salt Revenue Officers as liable to confiscation under the Act shall be sent for safe custody to the officer in charge of the Circle, or to the nearest Salt Store or police station, as most convenient.

51. When property is sent to a police station, it shall be accompanied by a written request to receive and retain it.

52. When illicitly manufactured salt is thus handed over to the police, the senior police officer present at the station shall, in the presence of the witnesses to the seizure and of the accused person, if present, after weighing and recording the weight of each, take from each distinct kind or quality of salt seized (if there be more than one such kind or quality) three samples of not less than 5 tolahe each, which he shall seal with the official seal of the police station, and, after numbering them, deliver two of them to the officer who made the seizure, recording at the same time, on the printed form of request to receive the property which will be presented to him, a note specifying the total weight of each kind seized, according to the weighments made before him, and the corresponding numbers of the samples. The

remainder of the salt and the third sample shall be sealed up with the seals of the officer who made the seizure and of the police station, and shall remain in a secure place in such station till such time as a written order shall be sent by the officer in charge of the Circle, either for the destruction of the articles seized, which shall be carried into effect by the officer presenting such request in the presence of some officer of the police station, and the same certified on the reverse of the order, or for the delivery of the same, or part thereof, as the case may be, to the bearer of the order for production in Court.

53. When salt is delivered at a Salt Store for safe custody, the officer in charge thereof shall adopt the same course with respect thereto as is in Rule 52 prescribed for adoption by the police.

54. When a seizure is made by an officer in charge of a circle in person, or when salt is delivered to any such officer under Rule 50, he may either follow the foregoing procedure, deputing one of his subordinates present at the seizure to take the salt to the police station and receive the samples, or he may himself on the spot take out and seal up the samples and the rest of the seized salt with his own seal. He may then either take the salt seized with him to deposit where he considers it will be safest, or send it for deposit to the nearest or most accessible Salt Store or police station, to be kept, as in the previous case, until further orders. If, however, an officer in charge of a Circle himself seals the salt, he must in the event of the identity of the salt produced in Court being denied by the accused, be prepared to attend and prove the same in person.

55. When any property other than illicitly manufactured salt is sent for safe custody to an officer in charge of a Circle, or to a Salt Store, or to a police station, such officer, or the officer in charge of the Salt Store or police station, as the case may be, shall make such arrangements as he shall think fit, and as shall be suitable, according to the nature of the case, for the safe custody of such property, pending the orders of a Magistrate, or of the officer in charge of the Circle, or of the Assistant Commissioner, or of the Commissioner of the Division, as the case may be.

56. When anything is seized and detained under the Act or the rules made under the Act, it shall not be released until all duty, penalties, and charges due on account thereof have been paid by the owner to the officer who is in possession of such thing.

If the thing is reported for confiscation, it shall not be released unless orders for the release are received from competent authority.

57. If the property so seized and detained shall be an animal, the owner shall provide for its due care and keep, in default of which the animal may be sold to defray charges.

58. If orders are received from competent authority for the release of anything seized and detained, and no duty or penalty is payable in respect of such thing, it shall at once be given up to the owner or his agent on his paying all charges incurred.

59. Should no one be present to receive the thing released, the officer in charge thereof shall do his best to give notice to the owner of the order of the release and shall cause a similar notice to be affixed on the office premises, at the Assistant Commissioner's office, and at the police station nearest to the owner's residence.

If within two calendar months from the date of the notice no person, entitled to receive the thing, claim it and pay all charges incurred, it shall be sold and the proceeds placed in deposit. After a further period of three calendar months, the money shall be credited to the Government.

60. If any duty is payable or penalty is imposed by competent authority in respect of the thing seized, in less such duty or penalty, together with all charges incurred, be paid within seven days of the receipt of the orders of competent authority for release subject to such payment, the thing shall be sold, and from the proceeds the duty, penalty and charges shall be deducted, and the balance made over to the owner or his agent.

Should no one be present to receive the money, notice as under Rule 59, shall be given, the money being kept in deposit for three calendar months.

If not claimed within the period, it shall be credited to the Government.

61. When orders are received from competent authority for the confiscation of anything seized and detained, it shall, with all convenient despatch, be sold or destroyed as the Assistant Commissioner of Salt Revenue may direct.

62. When a Magistrate orders the confiscation of works, materials or implements under section 9 of the Act, they shall be sold or destroyed by dismantling or otherwise under the orders of the Assistant Commissioner of Salt Revenue.

#### *General.*

63. All Salt Revenue Officers and all gazetted officers of other departments shall at all time have free passage over all works for the manufacture of salt at which a license has been granted under these rules.

64. The Assistant Commissioner may establish such guard stations at and around Salt Works and Salt Stores as he shall think necessary for the safety of the revenue, and may require that all salt removed from Salt Works for transport to a Salt Store, or from a Salt Store for consumption on payment of duty, shall be taken direct to such guard station as he shall prescribe for examination and comparison with the quantity and other particulars entered in the pass or permit. The Salt Revenue Officer in charge of any such guard station may detain any such consignment of salt which he may find not to correspond with the entries in the pass or permit, pending the orders of the officer in charge of the Circle.

65. Under such general rules as the Assistant Commissioner shall prescribe, all Salt Revenue Officers, not below the rank of Assistant Inspector, shall be at liberty to examine and weigh the salt in store in any Salt Store at any time.

66. The licensee and his servants shall have access to the places where salt is manufactured and stored only during such hours as the Assistant Commissioner may fix for the purpose.

#### *Appeals.*

67. Subject to the provisions of these Rules, any person dissatisfied with an order passed by a Salt Revenue Officer may appeal to the immediate superior of such officer. All such appeals shall be accompanied by authenticated copies of the order appealed against, and shall be forwarded through the officer whose orders are appealed against. For the purposes of this rule, the immediate superior of an Assistant Commissioner, who is an Assistant Commissioner of the Madras Salt Department, shall be the Deputy Commissioner of Salt and Abkari Revenue of the Northern Division, Madras Presidency, and the immediate superior of an Assistant Commissioner, who is a Deputy Commissioner of the Madras Salt Department, shall be the Commissioner of Salt and Abkari Revenue, Madras Presidency. An order passed on an appeal by the Commissioner of Salt and Abkari Revenue, Madras Presidency, shall be final.

E. J. SINKINSON,

*Offg. Secretary to the Government of India.*
